Re: *Heraeus v. Lynn*, C.A. No. 04-904 (KAJ)

Dear Judge Jordan:

In connection with the December 21 tutorial, plaintiffs respectfully request permission to bring the following items into the courtroom:

1. Two pieces of 12" x 12" glass;
2. A patented locking collar (essentially two interlocking metal rings about 6" in diameter);
3. A cross section of a target (a metal ring about 1/4" thick and 6" in diameter); and
4. A target demo kit, which includes the locking collar (no. 2 above), a metal tube about 8" long and 6" in diameter, and a small stand.

We also respectfully request that the marshals be advised so that we may bring these items through security.

Respectfully,

/s/ *Leslie A. Polizoti*
